

Asset enhancements

Lutz Real Estate Investments has a proven track record of acquiring and developing properties in which it can realize value through timing, additional investment, re-positioning and sound management practices. A hand-picked team of industry leading professionals oversees the operation of the Lutz Real Estate Investments portfolio to achieve that vision.

Through meticulously targeted selection, strategic managing, leasing and carefully planned improvements, Lutz Real Estate Investments transforms ordinary, underachieving properties into extraordinary high-yielding assets. Drawing on decades of on-the-ground experience, Lutz Real Estate Investments has made informed decisions on acquisitions which have consistently produced superior, risk-adjusted returns and capital appreciation.
